

# Never Pay a Placement Fee Again

## Hire with your SaaS Talent Marketplace

# The Employer Talent Marketplace

**SaaS Pricing That Fits Your Hiring Goals and Budget**

## Attract, Screen, Rank & Hire your Talent

The Employer Talent Marketplace gives you the power to source and attract talent using referrals, job boards and social media campaigns to create a continuous stream of pre-screened and experienced job seekers. Employers build Talent Communities with their recruiters and partners to source top talent.

**Private & Hired1st Talent Communities**

Subscribe to Hired1st specialist Marketplaces or build your own communities with education partners and recruiters.

**TALENT SOURCING & ATTRACTION PORTAL**

- **Centralised Talent Marketplace** – A single platform integrating multiple candidate sources into job role ranked talent pools.
- **Employee Referral Portal** – Enables employees to refer qualified candidates quickly, with built-in tracking.
- **University Referral App** – Partnerships with universities and training organisations for graduate and alumni referrals.
- **Social Media Campaign Tools** – Share job postings across LinkedIn, Facebook, and X (Twitter).
- **Public Job Board Integration** – Stream & rank candidates from your job ads on external job boards into centralised talent pools.
- **Your Branded Job Board** – Post jobs & career pathways to your dedicated job boards to pre-screen and rank candidates.
- **Candidate Ranking & Filtering** – AI-driven scoring, keyword filters, and skill-matching for faster shortlisting and hiring.
- **Talent Communities** – Build Talent Communities with recruiters & partners and/or access verified candidates from our communities.
